CALLING ALL SCHOOL KIDS - GRADES K THROUGH 12

The Board of Trustees of Marlboro Electric Cooperative, Inc. are very serious about education in our counties. Education is important to all of us and our Trustees are interested in making studying fun. Marlboro Electric Cooperative has found a way to do that by sponsoring a program called Give Us An "A".

If you make at least one "A" on your report card, send MEC a copy of it for a chance to win \$25. Marlboro Electric Cooperative and Women Involved in Rural Electrification (WIRE) will award eight students twice a year. All age groups of primary, elementary, middle and high school students will have two winners and two drawings for category grades K-2, 3-5, 6-8 and 9-12.

This contest is open to all students in our service area of Marlboro and Dillon

IT ONLY TAKES ONE "A" ON YOUR REPORT CARD TO BE ENTERED INTO THE DRAWING!

Rules for Give Us An "A" Program:

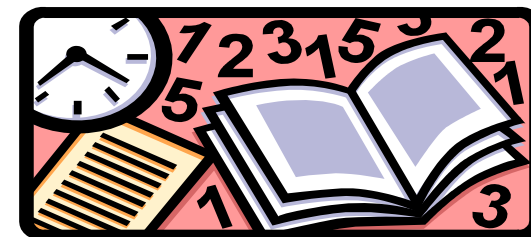

- Must attend a school in either Marlboro or Dillon County.
- Must make at least one "A" on your report card (excludes interim reports). You may mail your report card (original or copy), fax it or come by our office and we will make a copy if you want the original. We will not be responsible for mailing the original report card back to you. Make sure you circle the A.
- Must have: your name, mailing Address and phone number on your report card.
- Mail to: Give Us An "A", Marlboro Electric Cooperative, P.O. Box 1057, Bennettsville, S.C. 29512, or fax to (843) 479-8990.

If you have any questions, call Marlboro Electric Cooperative at (843) 479-3855 or 1-800-922-9174.

We will list the winners in "South Carolina Living" and the local newspapers.

Marlboro Electric Cooperative, Inc. and WIRE are very excited about this program and we hope you feel the same.

REMEMBER, all you have to do is just Give Us An "A".
